Customer Reviews

This book is amazing for beginners with inspirational quotes from famous women guitarists over the years! It shows you how to hold the guitar, make simple chords, and has a few chord songs. I love the advice in the beginning of each chapter. A must for any beginner girl guitarist!

Don't love this book, but I haven't used the CD with it yet...I don't even know if I have a CD player... I have gotten 2 songs from it that I like so far. Not really that much information in this book and the songs aren't great.

My Niece really liked about half the songs and that's hard to do. But it makes learning a lot easier when you like the songs your practicing.

Not what I expected at all, cd is not helpful book is a waste of money and time

A fantabulous book for the rockin girls.
