Customer Reviews

I am a newer member of New Horizons Band NE Ohio. This is a community group comprised mostly of older adults of all musical skill levels... from beginner to novice to advanced. Our director, Jim Adkins, has been using Standard of Excellence instruction books for several years. He recommended that all members obtain this edition of the book, which is the more advanced than the other two in the series. Since I buy most of my books at , it was the first place I looked. Sure enough, the book was in stock. I ordered it and it was delivered within two days. I am very pleased with the purchase. Note: If you're an older adult who is simply thinking of taking up a musical instrument, use an Internet search engine to ascertain if there is a New Horizons Band in your community. (There are many throughout the USA.) If you find one nearby, arrange for a visit. You may wish to join. Hope this helps!

Excellent curriculum...songs are fun...fingering chart in the back is helpful. My 4th grade flutist loves it and enjoys getting stickers for completing certain songs. The CDs are REALLY great for practice at home - makes things interesting for her and she hears the right tones and beats from the recordings.

it fits the schools requirements, and I didnt have to spend as much on it, and its a good thing because 2 weeks later she switched to percussion...

Nice
