## Synopsis

:-:â|:-â ç:\*\*\*\*:â ç.-:â|:-â ç\* FABULOUS \* :-:â|:- \* HIGHLY RECOMMEND :-:â|:-â ç:\*\*\*\*:â ç.-:â|:-The Hollywood Reporter mentions that, the women of Atlanta might be the biggest hit in black reality at the moment, but they hardly are alone. VH1 has had exceptional success with Basketball Wives, Love & Hip Hop and respective spinoffs. VH1's offerings -- which it airs on a targeted Monday primetime -- skew even more black than the Housewives. A whopping 85 percent of the series' current audiences are African-American. Here is what Love & Hip Hop star Yandy Smith had to say:"Some people might see it as a dark show. I just want to be a light. I don't jump across tables and throw bottles and rip wigs off. That's not my thing. I didnâ™t think people would like me on the show at first because I'm too regular. But I have to be myself and be positive. I want to show there are people that love each other. There are women that work hard in this industry that aren't married to this rapper or that executive and actually did it for themselves."Vh1 â œLOVE & HIP HOP: Unsung All Exclusive Access" book is written by CNN Contributor and Emmy TV author of Scandal Olivia Pope, also author of behind the scenes film/book "Divergent: Factions Representations & Symbol Meanings," distributed by Black Widow Publications on . ## Customer Reviews

I tried to read this book but really couldn't get into it because of the strange word substitutions I came across. For example, instead of Mona Scott-Young the book says Mona Scott-Youthful. 50 Cent became 50 Penny and Chris Brown turned into Chris Cocoa. The one that was the last straw for me was instead of "a little explaining" this book says "a few genuine disclosing." Reading this book just isn't worth it to me if I have to decipher the bad translation as I go.
