Customer Reviews

My daughter is just finishing up Level 2 books, so this is a great book to have some slightly easier songs for her and some slightly challenging songs. Plus, she loves to play songs that she can sing along to. This is the second Praise Hits book we've bought, and I'm sure we'll continue to buy them in higher levels as she continues on.

I love the songs and the ease of this music, however I have to agree that some of the arrangements

were very poor. It is a mixed bag as far as I am concerned.

I was not impressed with the arrangements of these songs. It was just okay.

Great!
