A more fuller approach to Christmas classics. However this is more for intermediate to advance players. A high degree of fluidity in piano playing is required for the notes to sound even remotely like proper Christmas songs. Chords for guitar is also provided which is an added bonus. Not all books have this. Won't give it a 5 star only because of its price. It's a bit on the high side.

I love this book!! Definitely a perfect piano book for Christmas. My favorites to play are We Three Kings and Angels We Have Heard on High. I ordered his Disney book and I am so excited to play those.

Can beat Brickman!!
