She read the book quickly and retained the storyline as well as some details. She is going to read more by the same author, I think the work is creative and also simple for kids to read.

Wow! What a rescue story as well as a very good moral lesson for kids ages 2-12 &+! Such fabulous illustrations as well that, yes I would recommend this highly for this age range and up even as well as give it five stars for this same reason as I had just wrote. I received this ebook for free and in
