Customer Reviews

This music book contains 54 Disney songs arranged for piano, vocal, and guitar. The songs come from Disney movies, TV shows, and short cartoons from the beginning up to the present. Most of the favorites are here: Snow White and the Seven Dwarfs, Cinderella, Sleeping Beauty, Lady and the Tramp, The Little Mermaid, Mary Poppins and the 101 Dalmatians, among others. Davy Crockett fans will be particularly pleased that 20 verses of The "Ballad of Davy Crockett" are included. This collection is not exhaustive. The book is not particularly pretty--there are no pictures aside from the cover. The music itself is not too easy or too hard--if you're looking for a musical challenge, you won't find it here--but if you're looking for music that will provide a variety of pleasant playing and listening for Disney music fans, you've found it.

This is a wonderful collection of older Disney songs. Spanning from the beginning of Disney, to

some songs from the Park to The Little Mermaid. The songs are listed in alphabetical order, they are also listed under Vol. 1, Vol. 2, Vol. 3. The reason for that is that you can find all of the songs in this book on Vol.1-3 of 'The Disney Collection' CDs. I can't say much about the playability of the songs, The main reason for this review is to do one thing, list the songs in the book. So in alphabetical order the songs are: Baby Mine, The Ballad of Davy Crockett, Bare Necessities, Bella Notte, Best of Friends, Bibbid-Bobbidi-Boo, Candle on the Water, Casey Junior, Chim Chim Cher-ee, Cruella De Vil, A Dream is a Wish Your Heart Makes, Ev'rybody Wants to be a Cat, Feed the Birds, Following the Leader, Give A Little Whistle, He's a Tramp, Heigh-Ho, Hi-Diddle-Dee-Dee, I Wan'na Be Like You, I Wonder, I've Got No Strings, It's A Small World, Jolly Holiday, Kiss the Girl, Lavender Blue (Dilly Dilly), Let's Go Fly a Kite, Little April Shower, Love is a Song, Mickey Mouse Alma Mater, Mickey Mouse March, Once Upon A Dream, One Song, Part of Your World, Saludos Amigos, Second Star to the Right, The Siamese Cat Song, So This Is Love, Some Day My Prince Will Come, Someone's Waiting for You, A Spoonful of Sugar, Supercalifragilisticexpialidocious, The Tiki Tiki Tiki Room, Under the Sea, When I See An Elephant Fly, When You Wish Upon A Star, Whistle While You Work, Who's Afraid of the Big Bad Wolf?, Winnie the Pooh, With A Smile and a Song, The Work Song, Yo Ho (A Pirates Life for Me), You Can Fly! You Can Fly! You Can Fly!, Zip-A-Dee-Doo-Dah, Theme From Zorro. I hope that helps someone looking for a specific song.

This collection is great. As a heads up, it doesn't have any of the newer films (Beauty and the Beast, Mulan, Aladdin, etc). It has several of the old cartoons, such as Sleeping Beauty and Jungle Book, as well as some of the live action like Mary Poppins. I am always very careful to purchase the regular versions of sheet music, so this review is of the regular P/V/G book and not the easy note. As an intermediate player, I find the songs are easy enough to play without excessive practice and they are a nice trip down memory lane to all the Disney films I watched growing up. There are few, like the Davy Crockett theme, that I never play, but overall the bulk of the book are songs I want to play and are songs that can be somewhat difficult to find in newer Disney collections.

My husband and I were wanting a songbook appropriate for piano and voice to sing/play at a formal gathering. This fit the bill, as it contained "When You Wish Upon A Star" and "A Dream is a Wish Your Heart Makes", the two songs we wanted. Easy scores, but also nicely written. GREAT for any Disney song enthusiast as it contains many popular numbers and some classics too!

This is a great Disney Collection of classic Disney songs. It stops at Little Mermaid, so keep that in

mind. But all the pieces are great Disney songs from past films. I've actually gone through a couple of them I have used them so much. Voice Lessons To Go's -Vocalize!- I always warm up with that first though!

I recognized most all of the songs and appreciated that most of the songs are classic. I do wish, however, that songs from Alice in Wonderland and Robin Hood were included in there. The songs are not super-easy, but definitely not-too-difficult for an intermediate-to-advanced pianist.

I play the tenor recorder and bass ocarina and the vocal parts are perfect for me. I was especially happy to see so many Mary Poppins songs (feed the birds is definitely my favorite for the ocarina!). Don't think this book is limited to singing, guitar, and piano! Great variety of songs. I wish there were more volumes of this!

This book has all the classic Disney tunes in it! I have voice students of all ages who love to go and learn these pieces, even if they've never seen the movies. The book came in great shape, and the accompaniment parts are not difficult for the most part, so even I can play along with my studio students.
