The 1st Three Years Of Dance: Teaching Tips, Monthly Lesson Plans, And Syllabi For Successful Dance Classes

Synopsis

The 1st Three Years of Dance; Teaching Tips, Monthly Lesson Plans, and Syllabi for Successful Dance Classes is filled with an overall plan to make your classroom and studio run smoothly. You will have a basis for all your teachers to teach from and no one classroom will be left behind. Inside you will find syllabi for 3 levels of dance classes. There are 10 monthly lesson plans for each level, which build from one class to the next and from year to the next. Also, each month's lesson plan includes choreography to showcase the steps learned. Plus, there are teaching tips to running a great classroom and more.

Customer Reviews

bought this book because my wife is a dance teacher and she is teaching ballet to children and she needed a book because she has never really taught ballet to such small children. As soon as her class started she followed some guide lines that this book recommended and the kids absolutely love the class! they participate and they tell their mother how they cant wait for the class the next week. A good buy for information and steps to learn! ENJOY

As a student of ballet for many years, but just beginning to teach ballet to young children, our granddaughter said this book really helps her understand how to introduce basics to small children and how to understand abilities and comprehension in the younger child.

Great resource for teachers. I wish it wasn't all in combo classes (ballet/tap/tumbling) as I teach straight ballet, but still a nice guide for ideas. It is very elementary which is what I needed as I usually teach older dancers and was having a hard time structuring a class for ages 4-7.

This book is MUCH needed! As a dance teacher, I'm always interested in dance books. This is the first dance book that breaks down the BEGINNERS dance classes. I don't follow this exactly, but I appreciate it as a reference in structuring a curriculum that develops young dancers.

I found the lesson plans and monthly dance routines to be helpful- especially for days I didn't have time to do all the prep work.

I haven't had a chance to read through the whole book, but it has great ideas that I plan to work into my movement class that I teach for 3yr olds. I appreciate the choreography for monthly dances/dance combinations given as well.

I've been teaching dance for about 15 years, and felt like I was in a rut. So I purchased this book for some creative ideas to reinvigorate my teaching. The book is very comprehensive, with excellent descriptions for moves and running classes. It offers many different lesson plans, and they are easy to tailor to my individual needs. The combinations provided are also fantastic, and I love some of the game suggestions. I'm so glad I purchased this book!

I have been teaching dance for the last 2 years and this book gave me some excellent lesson ideas and tips!!
