Orgullo Y Prejuicio (Spanish Edition)

Synopsis

A satirical look to social differences. It has been said that the novels of the Englishwoman Jane Austen are descriptions of domestic life, but they go beyond, since they are an acute critique of a society in which birth differences create prejudices that divide people. The authoress could alternate moments of intense dramatic quality with comical and satirical descriptions that convert this novel into a unique piece in the entire literature. The main characters are unforgettable and we all know people as the nervous lady, eager to well position his daughters; the ingenuous shepherd who believes that everything that matters in life is being born in a noble cradle or the lover who despite being attracted by a girl rather his prejudices over his feelings.

Customer Reviews

Orgullo y Prejuicio es universalmente conocido por ser una obra romántica en toda la expresión de la palabra. La autora de este libro es una de las escritoras más famosas en la literatura de todos los tiempos: Jane Austen. Admiro a esta invaluable mujer principalmente porque con sus pocas novelas contribuyó a fomentar la lectura en su época, a popularizar la novela como género en el siglo XIX y a crear las pautas de la comedia romántica moderna. Segundo, porque se atrevió a criticar a la sociedad de aquel tiempo, se atrevió, al menos con el personaje principal de Elizabeth Bennet a demostrar esa fuerza e inteligencia femenina muchas veces censurada por las tradiciones y el deber ser. Fue escrita en 1813 y publicada anónimamente por Austen, a sus escasos 20 años. La trama de Orgullo y Prejuicio es narrada de forma natural y rápida. Describe historias cotidianas y personales, que a simple vista pueden parecer triviales. Sin embargo, si uno presta

mas atenciÃ³n y ahonda un poco mas en esto, podemos darnos una idea de como era la sociedad de la Ã©poca, cuales eran sus sueÃ±os, sus emociones, sus sentimientos, sus rutinas.. su forma de ver y vivir la vida. Son precisamente estos detalles lo que hacen que esta obra sea universal y todavÃ¡ a vigente. Es la forma en como escribiÃ Jane Austen sencilla y sin afectaciÃ³n, que hacen que la historia se vuelva entraÃble. Me gusto muchÃsimamente esta versiÃn. Creo que la traducciÃn si bien nunca serÃ¡ al 100% apegada al lenguaje en la cual fue escrita, si logra con Ã©xito desarrollarse y darse a entender. Todos los personajes en esta historia juegan un papel de alguna otra forma importante en la trama.
