Customer Reviews

I have been a fan of Mannheim Steamroller since... well, ever since I can remember! My family always played the cassette tapes during the Christmas Season, and we've purchased every album as they've come out! I'm a pianist, so these piano books bring me even closer to the music!

Music is great. Good selection of songs. My son uses this book. It would be better if he bought the spiral bound version, as it is easier to keep the pages open; however, this book was cheaper so we're okay with that.

This book is amazing! I love Mannheim Steamroller. CANTIQUÉ DE NOËL and TRADITIONS OF CHRISTMAS are worth the price. Highly recommended for advanced players. It's not for beginners.

I love this piano music. The arrangements sound almost exactly like the music on the CD which I love. They are for more advanced piano players, not beginners. It's nice to have music for well-

known songs that sound a bit different from the ordinary.

This is my favorite of all the Mannheim Steamroller Christmas books for piano! The music is very playable for anyone who is at the intermediate to late intermediate level.

The book came in perfect condition. It's an excellent arrangement capturing the classic Mannheim sound. Perfect for a pianist who loves Mannheim.
