The Dance Experience: Insights Into History, Culture And Creativity

Synopsis

Providing an understanding of the history, evolution, and universality of dance as an art form, this guidebook explores the significance of dance in culture, the relationship of dance to other art forms, the contributions of great pioneering choreographers, dancers, and teachers, and the creative process. Highlighting an extensive range of types of dance—including ballet, modern, jazz, tap, folk, ethnic, and social—this comprehensive collection features a variety of engaging essays written by experts in their respective fields. Students of dance, professionals, instructors, and enthusiasts will learn what to look for during a performance, and how to appreciate dance styles from around the world. This newly revised edition includes five new chapters and an extensive, annotated appendix of film resources giving helpful suggestions for viewing that will enhance the dance experience.

Customer Reviews

Item came as described, help's with my work. I bought it as slightly damaged, and there was only one red thumb stain. (I think it was a hot Cheetos grip, hahaha.) Book is light, and portable.

They will make you wait forever in order for it to be delivered. I suggest you buy this product from a different party.

this book was in perfect condition!
