The Game: 30th Anniversary Edition

Synopsis

Widely acknowledged as the best hockey book ever written and lauded by Sports Illustrated as one of the Top 10 Sports Books of All Time, *The Game* is a reflective and thought-provoking look at a life in hockey. Ken Dryden, the former Montreal Canadiens goalie and former president of the Toronto Maple Leafs, captures the essence of the sport and what it means to all hockey fans. He gives vivid and affectionate portraits of the charactersâ Guy Lafleur, Larry Robinson, Guy Lapointe, Serge Savard, and coach Scotty Bowman among themâ who made the Canadiens of the 1970s one of the greatest hockey teams in history. But beyond that, Dryden reflects on life on the road, in the spotlight, and on the ice, offering a rare inside look at the game of hockey and an incredible personal memoir. This commemorative edition marks the 30th anniversary of the bookâs original publication, and it includes a new foreword by Bill Simmons, new photography, and a new chapter, âThe Game Goes On.â Take a journey to the heart and soul of the game with this timeless hockey classic.

Customer Reviews

This book by former MontrÃ©al Canadiens Goalie Ken Dryden is nothing short of brilliant. It is certainly the best sports related biography I have ever read to this point in my life. As much as I enjoy Baseball biographies of former players of years gone by; this book by far outdoes them all. As a young lad growing up in Ontario Canada and prior to moving as a kid to Southern California â Ken Dryden was for me at the time a person I liked to despise â this of course due to my allegiance to the Toronto Maple Leafs. I have of course grown softer with age and with life

experiences that have brought a reality of "not so tough" mentality; I have over the recent decade and a half followed the Montreal Canadiens as I do occasionally the NY Yankees and Boston Red Sox (even though my MLB teams are the Anaheim Angels and Washington Nationals). A game of tradition, history, a rich past it is apparent the 1967 expansion changed the game forever. Bob Dylan once said "Reality Has Many Heads" so no wonder I came to see in print within this book the same feelings I held but didn't want to accept that the Maple Leaf/Canadiens rivalry is dead. It has been since the late 1960s. There goes my childhood (LOL) even though I became a Los Angeles Kings fan and later Anaheim Ducks fan in Southern California. The Gretzky years in Los Angeles were both fun and invigorating "the loss of the 1993 Stanley Cup to Les Habitant de Montreal was the result of a game changer when Marty McSorley was tossed from a game by a referee for having too large a curve on his Hockey stick. I was at the Great Western Forum in Los Angeles the night Wayne Gretzky scored goal number 802. Mr.
