Mel Bay Essential Scales And Studies For Violin

Synopsis

This valuable supplement has been written to present essential scales and scale studies for the beginning student. The scales are presented in various rhythms and patterns, including arpeggios. All of the various patterns presented can be used with each scale. The fingerings included present viable ways to approach the scales, but other fingerings can be explored. Various rhythms and bowings may also be applied to practicing the scales. All major scales are presented in two and three octave patterns. All minor scales are presented in three octave patterns. Chromatic scales of two and three octaves are also included. These scales can form an important part of any violin student's practice.

Customer Reviews

My wife teaches the violin and found this book by Mel Bay to be a good starting place for beginners.

I use this book regularly when practicing. A great little book of scales, I would recommend it to the beginner and intermediate player.

how awesome is this book....helpful easy to read...makes scales fun
