Without Mercy: Obsession And Murder Under The Influence

Synopsis

ON ANY SUNDAY MORNING IN THE FLORIDA REDLANDS, DEE CASTEEL MIGHT HAVE SERVED YOU PANCAKES AT THE IHOP â She was a hard-working, cheerful waitress, one of the nicest people youâd ever want to know. She was also a three-bottle-a-day alcoholic, hopelessly in love with the IHOPâs manager, Allen Bryant. Bryant wanted his live-in lover, IHOP owner Art Venecia, dead. And Dee Casteel helped him to arrange it. After Veneciaâs murder, Dee and Bryant moved into his house, forged checks, spent his money, and embezzled from the IHOP to buy gifts for Bryantâs boyfriends. But there was an even more gruesome killing to come â WITHOUT MERCY is an engrossing, bizarre true story that traces the twisted path to a loathsome crime. But it is also the story of middle-class citizens gone wrong, of an almost-perfect murder, the traumas of alcoholism, and a legal system that can be deadly in itself. Dee Casteel was an ordinary womanâwho now stands convicted of one of the most cold-blooded crimes of this century.

Customer Reviews

I am in the Without Mercy book, mentioned...I have not read the book since 1989, as it brings all the

horrors back to reality. I was a close friend to Art Venecia. I have written about this story, as it relates in a way, to the assault upon myself with intent to murder, by Miami City Commissioner, Marc "D" Sarnoff. Google, see the Cycling forums thread? Here, I just wrote, and Gary Provost is now dead; all are dead, but for me and some killers of Art Venecia. I will recall Art some other time in more detail. He was popular, generous, smart and too trusting. The late author, Gary Provost, came to this house and interviewed me in the Study for over an hour. I told him everything I knew of the character of Art Venecia. George Frietas, a mutual friend, self-employed accountant, who kept books for Art, myself, and others in our gay social circle, talked to Art a few days before, just before Art's murder. Art, who was having severe problems with his drug-addict, young lover, said to George, "He's crazy, he says he will kill me." "Get out of there, Art", begged timid old George. "Nah, I can handle him. He's just a talker." I asked George to testify, or at least, talk to the author years later. Even then, years after the murder, George was shaking, "Are you kidding, Reid? No way. I don't want to die." You understand, that recounting just above, it is not in the book, because George did not want that to be known. Now, though, everyone important is dead and cannot be harmed, except for you, Marc...you rat fink killer. I hate bullies. I helped to put Art's killers into prison and I will now do the same for you.
