# Cengage Advantage Books: Audio Basics

Synopsis

Written by highly respected author Stan Alten, AUDIO BASICS provides readers with a fundamental understanding of the principles, technology, and techniques of audio production. Because the material is not medium-specific, readers can apply techniques to sound production in any of the major audio and audio/visual media.

Customer Reviews

All was well... No issues what so ever

Great for basic needs and understanding audio. I think it worth the money due to the face that it had great visuals and explanations.

its all good :)

it is too old
