Millionaire Baby: Cracking The Wealth Code

Synopsis

• Earth-shattering. Breaks the Mold • This should be a mandatory read in every school in America. • So shocking it may change the very way you save money, forever. • **BASED ON THE TRUE STORY OF HOW THOUSANDS OF AVERAGE MIDDLE CLASS MOMS ARE BECOMING MILLIONAIRES THE EASY WAY**, Millionaire Baby: Cracking the Wealth Code is a riveting expose about escaping from under the thumb that is the American banking system. Abby Nguyen, an ambitious young mom and business owner unearths a dark secret: in the hallowed marble halls of prestigious clubs, Wall Street icons have **AGAIN** blindfolded the masses, regaining a stranglehold of control over the soul of America "all so they can line their own pockets. Abby demands change, and she won't take no for an answer. So she and three friends embark on the journey of a lifetime in their own backyard of San Francisco, a journey to build wealth and become financially independent no matter what the cost. This fearless foursome uncovers a secret so shocking that it is now shattering the lies we have been told, flipping what we know to be the truth on its head and becoming the talk in living rooms and cafés all over America! The pages of this riveting book reveal for the first time a secret rich bankers have known for years: how you can claim for yourself the keys to a secret retirement vehicle that will ensure that . . . You NEVER lose a penny in the stock market again . . . You're loved ones will never pay a death tax . . . And you can get paid to borrow against this savings at any time. The question is . . . Who will survive the climb scale to the top? And who will lose it all . . . ? And what role will you play? Are you brave enough follow the path Abby and her friends have blazed and discover the secret to becoming your own financial beacon in a troubled world? Or will you close your eyes to the truth and continue losing the battle? There's only one way to find out . . .

If you care about your financial future one iota you need to read this. Beyond the fact that it's highly entertaining (addicting even), learning how to build wealth on this level is rarely spoken of outside of \$10,000 seminars and smoky backrooms. If you've ever wanted to know what the RICH know, and wondered why they can pass along money without paying a death tax...or how they can get paid to borrow from themselves...or how they never lose a penny in the stock market this tells you how--in a highly gripping and heartwarming story you won't want to put down...

I could not stop reading this story. I'm excited that the strategies in this book exist and everyone can take advantage of them. I recommend anyone that wants a strong financial foundation to read it.

You need to read this book if you want to know how to be real RICH, not just one generation, but many next generation. If you lost your money in the market, you must buy this book. Highly recommend. It will change your financial situation. you will know exactly where you can grow your money, live happy and peaceful life. I learned many things in this book. Simple, easy to understand, very interested. Wanna be Rich --> Order this book immediately. Good luck.

This is a very well-written book that is both entertaining and informative. The story of the four women and how they learn the secret to creating financial freedom for themselves and their families is inspiring and couldn't come at a better moment for this reader given the financially uncertain times we live in.
