# Elder David A. Bednar Library

## Synopsis

The titles included in this bundle: Increase in Learning - Elder Bednar emphasizes concepts, patterns, and processes that invite each of us to act and learn fundamental truths for ourselves. Declaring that answers to our questions always are found in the doctrines and principles of the restored gospel, he provides a framework in this book for learning those doctrines and understanding with our hearts. Act in Doctrine - In Act in Doctrine, Elder David A. Bednar shares key insights to help close the gap between what we know and how we act. "The essential first step in reducing the disparity between gospel knowledge and righteous behavior is learning about and emulating the character of Christ," he writes. Power to Become - In Power to Become, Elder David A. Bednar explores how the Savior makes possible His divine commission, "Therefore I would that ye should be perfect even as I, or your Father who is in heaven is perfect" (3 Nephi 12:48). Chapters in this thought-provoking book highlight the importance of the Atonement, the spiritual gift of personal peace, the importance of priesthood ordinances, and the responsibility we have to obey willingly and endure valiantly.

in Kindle Store > Kindle Short Reads > 30 minutes (12-21 pages) > Arts & Photography #24

in Kindle Store > Kindle eBooks > Arts & Photography > Individual Artists #25 in Books > Arts & Photography > Other Media > Prints

## Customer Reviews

Just a friendly FYI for all those who are having trouble accessing the videos that come with the book:1- They may not be accessible on the actual Kindle device (I don't know, I don't have a Kindle), but they ARE accessible on the Kindle App for other tablets/computer. So if you have the app on another device, you can see the videos that way.2- They are also available on Seek by Deseret Book ( <http://seek.deseretbook.com/> ), so you can go there and view all the videos from all the books, plus more. So please, instead of giving these amazing books a bad review here for a technical difficulty, give it a review on the content, and then find a way to solve the technical problem.

What an awesome deal. Three awesome books for \$15. The videos not being embedded is no big deal to me. When I get to the part that says to watch a video I just go to the table of contents and scroll to the video page and select the video I want to see. The link takes you to a YouTube page. I have a kindle fire so if I have access to WiFi, I'm there. Just use the table of contents page to navigate back and forth. Also, keep a journal or pen and paper handy to take notes and you're set. Use the note taking/highlighting capabilities of your kindle and it gets even better. I honestly haven't started reading the books, but I hesitated buying because of all the reviews. Glad I purchased. Will repost once I finish reading.

This is such an awesome deal for the 3 books! I really like them so far and still am reading them, so haven't completed them. I love His spiritual insights as definitely helps me grow spiritually! I learn to study, ponder and apply the scriptures and gospel principles. The video links weren't clickable where it listed it in the chapter, but I was very happy that I still was able to watch the videos. I don't have an actual Kindle, just the app and I find the videos at the back of the book where it has a list of all the video segments. I bookmarked that page and when it shows one in the chapter, I find the bookmark of the video segments that I saved and click on the video to watch and the links have worked so far. I hope others check out the video segment list who haven't been able to view them from the chapter.

If you have a kindle, don't buy this. You can't access the video part of these books. This is how the F&Q explains it. "At this time, has opted to not approve the Deseret Bookshelf application for its native devices. We will continue submitting the app every year for inclusion in their store and hope that it is accepted, even though we are a competitor app in their eyes. In the meantime, we encourage you to use the Bookshelf web-reader by visiting: [read.deseretbook.com](http://read.deseretbook.com). The web-reader

will allow you to read all your Bookshelf titles from any internet connected device, including your Kindle Fire and HD using the web browser. We are working on dozens of feature enhancements from Spring to Fall of 2014!" When I try to watch it on the web reader, it says that it's not supported on this platform. Very disappointing.

3 Wonderful books for very reasonable price. Cheaper than at Deseret Book (Shame on them!). If you want to improve your life, your relationships and your level of Christlike characters - these 3 books are for you. Enjoy!

A great reference library from a very insightful Apostle of Jesus Christ. I find it hard to put it down at the end of an evening of reading. So good.

There are video's that are supposed to be embedded in the books and I am not able to access these. Seems to leave something out of the book.

I love the way that Elder Bednar explains things- clear yet thought provoking. I have learned a great deal from these books.
